FOREWORD by JOHN WATERS

I first became obsessed with *Peanuts* when I lay in bed recovering from mononucleosis in the sixth grade. I had read the comic strip daily in the *Baltimore Sun* but, lo and behold, my Mom had found me a book with early collected *Peanuts* strips and finally I could spend quality time with my outsider friends. And all the characters in *Peanuts* were outsiders all right; kids who never fit in — just like me. They suffered depression (would parents give Charlie Brown Prozac today?), paranoia (even a bug on a tree could bite you if you weren't careful), holiday delusions ("The Great Pumpkin"), despair about growing older ("Who wants to be nine?" Sally moans), and even perversity ("room temperature thumb sucking tastes best").

But of course it was all about Lucy. I *still* love Lucy and I'm not talking about the one on TV married to Desi. If I ever wanted to get in a good mood I would just look at Lucy's mean scowl (page 9, bottom strip) and suddenly I'd be ready to face the world. I like Lucy's politics ("I know everything!," "Little brothers should stand when big sisters enter the room."), her manners ("Get out of my way!," "All right, switch channels. Get up so I can sit there."), her narcissism ("Why don't you just come right out and admit that every move I make

fascinates you?") and especially her verbal abuse rants ("I'll yell at you *when* I feel like it, *where* I feel like it, *how* I feel like it, and *why* I feel like it and as *often* as I feel like it!"). And just to be more obnoxious, Lucy is perfect at jumping rope, never missing a step ("Ten thousand. Ten thousand and one. Ten thousand and two," she counts). In other words, a girl after my own heart.

I have a real niece named Lucy and I'm not sure if my sister named her after the comics character or not but there are certain similarities. When I was first around little Lucy as a child, I tried to be nice, but as I held out my arms, like a good uncle should, beckoning her to come to me, she froze in her tracks and spoke her first words to me, "No!" Look at the face on Schulz's Lucy on page 61 saying the same dialogue and you'll experience the amazement I felt at being rejected so wholeheartedly for, well... I'm not sure what. Maybe the Lucys of the world don't need a reason. They're just crabby on principle and I've learned to respect that.

Charles Schulz sure can draw. As R. Crumb's work is finally being shown today in top contemporary art galleries, and being sold for big bucks, so should Mr. Schulz's. Look at the "smoke of despair" (last panel, middle strip, page 27). If that isn't art I don't know what is. Lucy's "total warfare frown" (last panel, page 9) is just as iconic to me as Mona Lisa's smirk. Linus's concussion expression and tremors (page 31) and Lucy's "stiff upper lip" (bottom strip, page 79) are equally as stunning. Schulz is an amazing craftsman. I especially love how he draws hair; Lucy's struggle for physical strength sends her classic hairdo into full beauty parlor anarchy (page 20). Linus' thin hair, like mine, seems especially prone to emotional extremes — reacting badly to aggression (middle strip, page 80) and fear (middle strip, page 47).

To be honest, I'm reading some of the strips for the first time now because the years included (1965-1966) were probably my wildest and even though I was following Timothy Leary and not Charles Schulz at the time, I never felt *Peanuts* had sold out or was on the wrong side of the generation gap no matter how huge or broad the appeal.

Schulz's humor doesn't date either even though you can spot the late '60s subject matter as it creeps in; "I hate your generation," Sally screams to her slightly older brother Charlie Brown. "Help Stamp Out Things That Need Stamping Out" reads a

picket sign that Linus carries to no notice except rude comments from his sister Lucy. There are weird mentions of the CIA and even '60s fashion model Twiggy's name is dropped. Leave it to Lucy to shout "police brutality!" to a school crossing guard doing his job. And of course Linus' "blanket withdrawal" sub-plot that goes on for several pages was rehab way before it became Hollywood tabloid fodder. One wonders if Michael Jackson's son's nickname "Blanket" is stolen directly from *Peanuts*.

Minority characters are introduced (José Peterson from New Mexico and Franklin, an African-American) and it's amazing to imagine Schulz was criticized for this at the time, rather than for not having enough minorities as he would be today. I also am fascinated by characters like Roy (page 229) who are rarely if ever heard. I like to obsess over the *Peanuts* characters who never caught on, the ones that couldn't claw their way up to stardom in Charles Schulz-land, the forgotten lost faces of *Peanuts*.

Of course, many of the characters in these strips have been influential in my own films. Pig-Pen certainly was the model for Dingy Dave in *A Dirty Shame* but in a *much* darker way. Charlie Brown's humiliations over sports reflect my childhood experiences (see top strip, page 74 for a brutal reminder) and led to my defiance that enabled me to star in a commercial in Baltimore for a local sports announcer where I got to bark "I hate sports!" "So do I!" people would yell to me in supermarkets in solidarity and I thank Charlie Brown for this opportunity. Divine cutting up her defiant daughter Taffy's jump rope when she refused to stop jumping in *Female Trouble* certainly reflects Lucy's obnoxious jump rope mania. Schroeder's obsession with Beethoven may have influenced Edie the Egg Lady's love of eggs in *Pink Flamingos* and Lucy's tone certainly influenced every word Divine shrieked in my early underground movies.

Charles Schulz is, plain and simple, a great artist and philosopher. He never shows his hand politically, understands both the horror and joy of childhood and never puts the blame on parents. You are dealt a hand. Deal with it. But most importantly, he teaches all ages that if you can learn to laugh at the things that cause you the most pain you will be the strongest of all. *Peanuts*: a real way of life. For me at least.

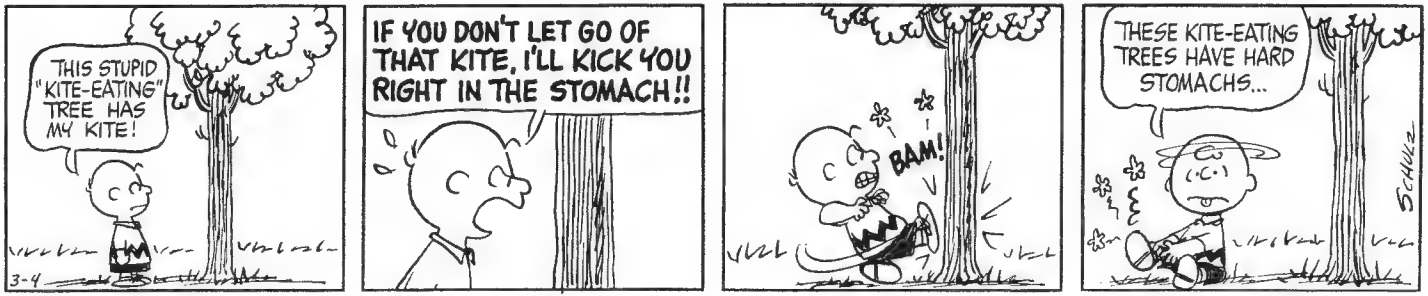
IN KITE-FLYING, THE RATIO OF WEIGHT TO SAIL-AREA IS VERY IMPORTANT
2-28
THIS RATIO IS KNOWN AS "SAIL LOADING" AND IT IS MEASURED IN OUNCES PER SQUARE FOOT..FOR EXAMPLE, A THREE-FOOT FLAT KITE WITH A SAIL AREA OF FOUR AND ONE-HALF SQUARE FEET SHOULD WEIGH ABOUT TWO OR THREE OUNCES...
YOU KNOW A LOT ABOUT KITES, DON'T YOU, CHARLIE BROWN?
YES, I THINK I CAN SAY THAT I DO...
THEN WHY IS YOUR KITE DOWN THE SEWER?
SCHULZ
HOW CAN YOU TELL A "KITE-EATING" TREE FROM AN ORDINARY TREE?
YOU CAN'T UNTIL YOU SEE A KITE CAUGHT BY ONE... AN ORDINARY TREE WILL LET A KITE GO RIGHT AWAY, BUT A KITE-EATING TREE WILL HANG ON TO A KITE FOR WEEKS!
3-1
THEY CLUTCH KITES IN THEIR GREEDY BRANCHES, AND SLOWLY DEVOUR THEM! IT'S A SHOCKING SIGHT... THEY EAT THE PAPER LIKE IT WAS FRIED CHICKEN, AND SPIT OUT THE STICKS LIKE BONES!
ANY ONE OF THESE TREES COULD BE A MONSTROUS KITE-EATING TREE... YOU JUST CAN'T TELL...
BRRR!

MY KITE IS UP! IT'S UP! IT'S UP!
NO, IT'S GOING DOWN! STAY UP, YOU FOOL!
DON'T GET NEAR THAT KITE-EATING TREE!
LOOK OUT! LOOK OUT!
OH, NO! OH, GOOD GRIEF! OH, NO! OH, NO!
3-2
OH, NO!
AAUGH!
THAT'S THE MOST GRUESOME THING I'VE EVER SEEN.....
SCHULZ

WHAT'S GOING ON HERE?
DON'T LOOK! DON'T LOOK!
THIS IS A "KITE-EATING" TREE! IT HAS ONE OF MY KITES...DON'T LOOK! IT'S A TERRIBLE SIGHT! WHATEVER YOU DO, DON'T LOOK!
3-3
AAUGH!
SHE LOOKED!
SCHULZ



THIS STUPID "KITE-EATING" TREE HAS MY KITE!
3-4
IF YOU DON'T LET GO OF THAT KITE, I'LL KICK YOU RIGHT IN THE STOMACH!!

THE FIRST THING I DID IN MY INVESTIGATION, CHARLIE BROWN, WAS TO CALL THE DAISY HILL PUPPY FARM..

I FOUND OUT SOMETHING THAT WILL AMAZE YOU... IN FACT, I HESITATE TO TELL YOU.... ARE YOU READY FOR A SHOCK?
8-28

KLUNK!

HE WASN'T READY FOR A SHOCK
SCHULZ

WHAT HAPPENED?
HOW CAN I TELL YOU SOMETHING THAT WILL SHOCK YOU IF YOU PASS OUT BEFORE I CAN TELL YOU?

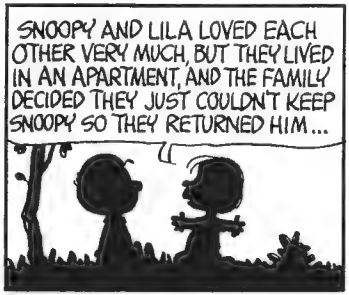
I'M SORRY... I'VE BEEN HYPERVENTILATING A LOT LATELY...

WELL, ANYWAY, HERE'S WHAT I FOUND OUT WHEN I CALLED THE DAISY HILL PUPPY FARM...YOU ARE **NOT** SNOOPY'S ORIGINAL OWNER!
8-29

KLUNK!
OH, GOOD GRIEF!
SCHULZ

YOU BOUGHT SNOOPY IN THE MONTH OF OCTOBER, RIGHT?

ACCORDING TO THE RECORDS AT THE DAISY HILL PUPPY FARM, SNOOPY WAS BOUGHT BY ANOTHER FAMILY IN AUGUST...THIS FAMILY HAD A LITTLE GIRL NAMED LILA...
8-30



SNOOPY AND LILA LOVED EACH OTHER VERY MUCH, BUT THEY LIVED IN AN APARTMENT, AND THE FAMILY DECIDED THEY JUST COULDN'T KEEP SNOOPY SO THEY RETURNED HIM...

YOU GOT A USED DOG, CHARLIE BROWN!
SCHULZ

NOW, I SEE WHY THOSE LETTERS FROM LILA WOULD UPSET SNOOPY SO MUCH

SURE, HE WAS TRYING TO FORGET HER, BUT WHEN HE FOUND OUT SHE WAS IN THE HOSPITAL, HE RAN OFF TO SEE HER...
8-31

I'LL BET HE WISHES HE WAS STILL HER DOG INSTEAD OF MINE...
I DOUBT IT, CHARLIE BROWN.. HE WOULDN'T HAVE BEEN HAPPY IN AN APARTMENT

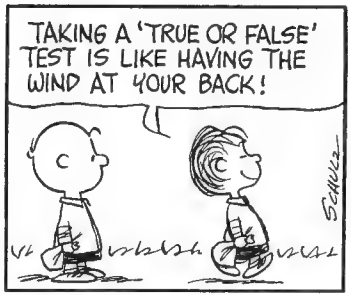
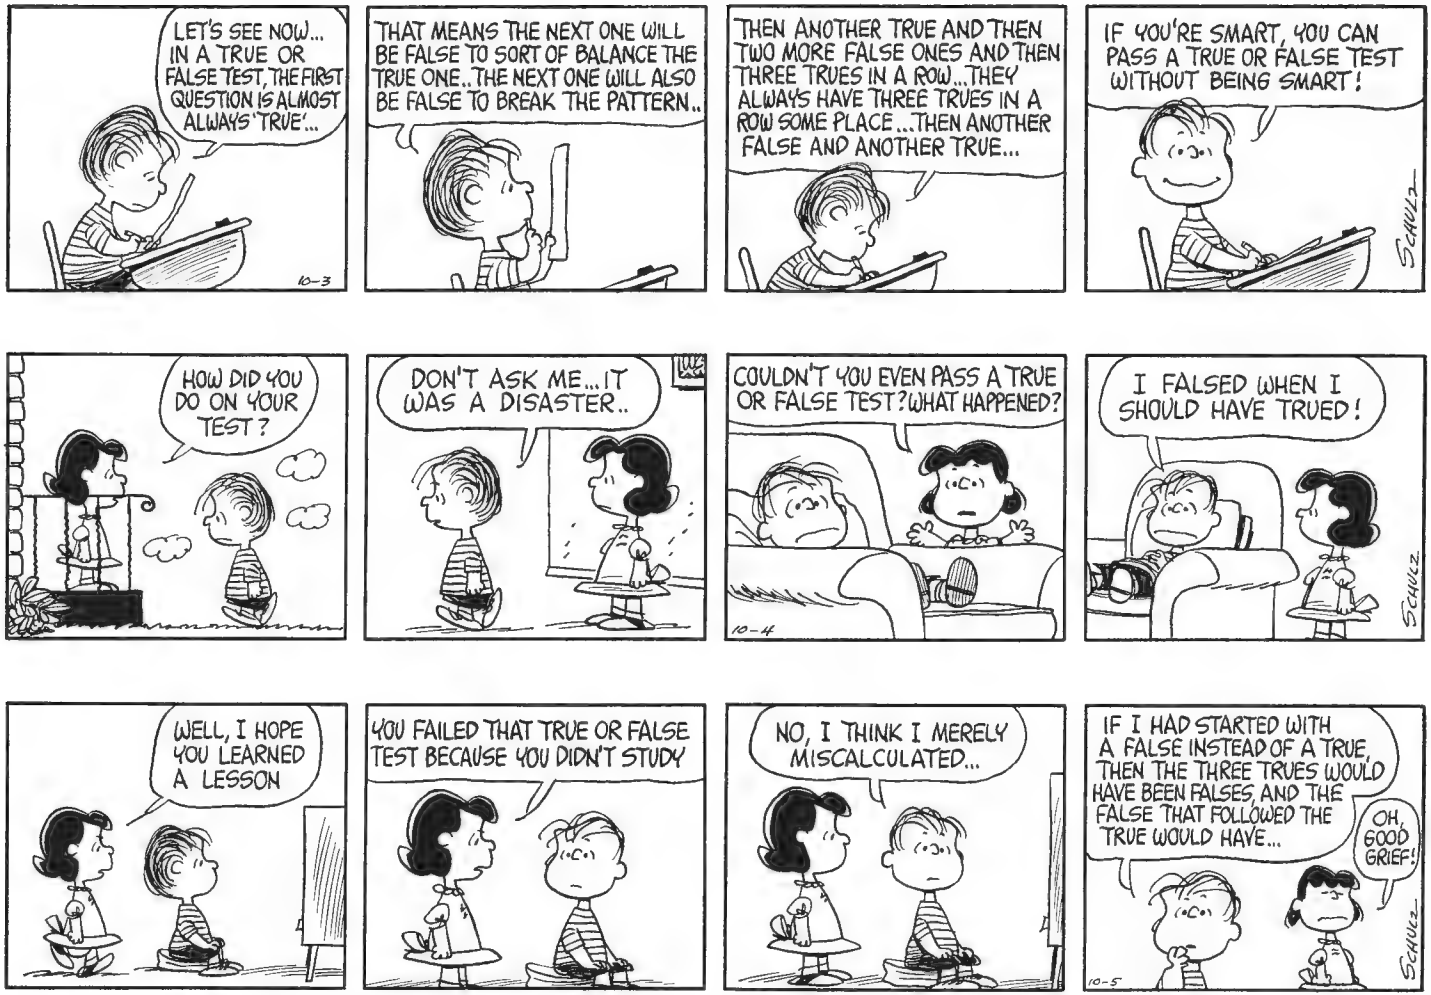
WHEW! WHAT A RELIEF! I THOUGHT IT WOULD BE AN ESSAY TEST OR SOMETHING! WHEW! I'M SAVED!



TAKING A 'TRUE OR FALSE' TEST IS LIKE HAVING THE WIND AT YOUR BACK!
SCHULZ



LET'S SEE NOW... IN A TRUE OR FALSE TEST, THE FIRST QUESTION IS ALMOST ALWAYS 'TRUE'...
10-3
THAT MEANS THE NEXT ONE WILL BE FALSE TO SORT OF BALANCE THE TRUE ONE..THE NEXT ONE WILL ALSO BE FALSE TO BREAK THE PATTERN..
THEN ANOTHER TRUE AND THEN TWO MORE FALSE ONES AND THEN THREE TRUES IN A ROW...THEY ALWAYS HAVE THREE TRUES IN A ROW SOME PLACE...THEN ANOTHER FALSE AND ANOTHER TRUE...
IF YOU'RE SMART, YOU CAN PASS A TRUE OR FALSE TEST WITHOUT BEING SMART!

CHARLES M. SCHULZ · 1922 TO 2000

Charles M. Schulz was born November 26, 1922, in Minneapolis. His destiny was foreshadowed when an uncle gave him, at the age of two days, the nickname "Sparky" (after the racehorse Spark Plug in the newspaper strip *Barney Google*).

Schulz grew up in St. Paul. By all accounts, he led an unremarkable, albeit sheltered, childhood. He was an only child, close to both parents. His eventual career path was nurtured by his father, who bought four Sunday papers every week — just for the comics.

An outstanding student, he skipped two grades early on, but began to flounder in high school — perhaps not so coincidentally at the same time kids are going through their cruelest, most status-conscious period of socialization. The pain, bitterness, insecurity, and failures chronicled in *Peanuts* appear to have originated from this period of Schulz's life.

Although Schulz enjoyed sports, he also found refuge in solitary activities: reading, drawing, and watching movies. He bought comic books and Big Little Books, pored over the newspaper strips, and copied his favorites — *Buck Rogers*, the Walt Disney characters, *Popeye, Tim Tyler's Luck*. He quickly became a connoisseur; his heroes were Milton Caniff, Roy Crane, Hal Foster, and Alex Raymond.

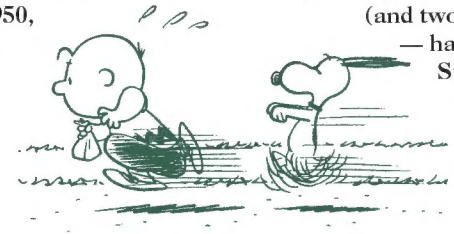
In his senior year in high school, his mother noticed an ad in a local newspaper for a correspondence school, Federal Schools (later called Art

Instruction Schools). Schulz passed the talent test, completed the course, and began trying, unsuccessfully, to sell gag cartoons to magazines. (His first published drawing was of his dog, Spike, and appeared in a 1937 *Ripley's Believe It or Not!* installment.)

After World War II had ended and Schulz was discharged from the army, he started submitting gag cartoons to the various magazines of the time; his first breakthrough, however, came when an editor at *Timeless Topix* hired him to letter adventure comics. Soon after that, he was hired by his alma mater, Art Instruction, to correct student lessons returned by mail.

Between 1948 and 1950, he succeeded in selling 17 cartoons to the *Saturday Evening Post* — as well as, to the local *St. Paul Pioneer Press*, a weekly comic feature called *Li'l Folks*. It ran in the women's section and paid $10 a week. After writing and drawing the feature for two years, Schulz asked for a better location in the paper or for daily exposure, as well as a raise. When he was turned down on all three counts, he quit.

He started submitting strips to the newspaper syndicates. In the spring of 1950, he received a letter from the United Feature Syndicate, announcing its interest in his submission, *Li'l Folks*. Schulz boarded a train in June for New York City; more interested in doing a strip than a panel, he also brought along the first installments of what would become *Peanuts* — and that was what sold. (The title, which Schulz loathed to his dying day, was imposed by the syndicate). The first *Peanuts* daily appeared October 2, 1950; the first Sunday, January 6, 1952.



Prior to *Peanuts*, the province of the comics page had been that of gags, social and political observation, domestic comedy, soap opera, and various adventure genres. Although *Peanuts* changed, or evolved, during the 50 years Schulz wrote and drew it, it remained, as it began, an anomaly on the comics page — a comic strip about the interior crises of the cartoonist himself. After a painful divorce in 1973 from which he had not yet recovered, Schulz told a reporter, "Strangely, I've drawn better cartoons in the last six months — or as good as I've ever drawn. I don't know how the human mind works." Surely, it was this kind of humility in the face of profoundly irreducible human questions that makes *Peanuts* as universally moving as it is.

Diagnosed with cancer, Schulz retired from *Peanuts* at the end of 1999. He died on February 12, 2000, the day before his last strip was published (and two days before Valentine's Day) — having completed 17,897 daily and Sunday strips, each and every one fully written, drawn, and lettered entirely by his own hand — an unmatched achievement in comics.
